

# GUARD YOUR ID STAMP

A handy way to help protect your personal information.

Guard Your ID Stamp

**Kespon**  
**Security Products**

## Point ▶ 1

**Handy protection for your personal information**

### **Specially designed stamping pattern**

Specially designed stamping pattern covers printed information.

\*This product may not conceal all data completely. The type of paper or print may influence the concealing effect.

## Point ▶ 2

**Oil-based pigment ink**

Water-resistant, lightfast, and oil-based pigment ink with excellent concealing performance.

\*Ink color available in black only.

\*Not applicable for Camouflage Tape.

## Point ▶ 3

**No ink pad needed**

Repeated stamping possible without an ink pad.

\*Not applicable for Camouflage Tape.

# GUARD YOUR ID STAMP STICK ROLLER

Compact size makes it ideal to use on smaller items such as shipping labels and receipts.

## Point ▶ 1

### Features a pattern width of 15mm

Perfect for use on bills, junk mail, receipts and more.

## Point ▶ 2

### New “stick” body style

Unique applicator shape features rounded edges that fit comfortable in your hand.

## Point ▶ 3

### Easy, mess-free refill process

Refill the roller without touching the messy ink cartridge.

① Pull Out

② Push In

## REFILLABLE

Materials : Main Casing=ABS/POM, Ink Cartridge=POM/PE  
External Dimensions : W34xD33xH72mm  
Stamping Capacity : About 300 times (assuming 70mm per use)

## Point ▶ 4

### A great alternative to a shredder

Mask long lines of text in a single stroke. Compact, portable, quiet and mess-free.
