MR2 -Mini-

Point ▶ 1

Portable, compact size

Applicator is about the same size as an eraser, yet packs an ample 6 meters of tape. Put this in your pen case or pouch to take with you.

Point ▶ 2

An easy solution for loose tape

Tape winding mechanism

By tightening the tape around the tip in a single motion, the sliding head function ensures that the tape is instantly ready for an excellent performance. Slack tape is no longer a problem. Use the handy slide lever to easily wind back any loose tape. Since there is no cap to remove (or worry about losing), usage is quick and efficient.
