

CORRECTION TAPE PETIT

Petit-size is perfect for on-the-go. One of the world's smallest correction tapes!*

*Based on our comparison in 2015

Correction Tape <Disposable>

Point ▶1

Portable, compact size

Applicator is about the same size as an eraser, yet packs an ample 6 meters of tape. Put this in your pen case or pouch to take with you.

Point ▶2

New roller head allows smooth and firm application

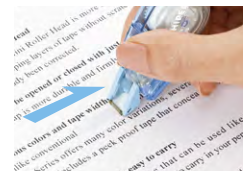

This corrector employs a Mini Roller on the tip which enables smooth corrections.

Point ▶3

2 Way corrections

Pull for a whole sentence, push for one letter
Produces a neat finish that allows you to correct the exact spot you want to correct.

Pull for a whole sentence

Push for one letter

Actual size

Point ▶4

Firm tape application

Newly designed head part prevents loose tape application, allowing easy rewrite over the tape.

Point ▶5

Light and easy with smooth torque mechanism

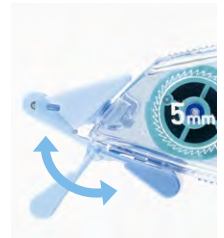

This mechanism supports the tape winding function and allows smooth application from beginning to end.

Point ▶6

One-touch open/close cap

Simple and Easy cap you can operate with one finger. Protects the tape when not in use.
